Dear Athletics New Zealand member

As a paid-up member of a local athletics club you are also a member of Athletics New Zealand. This means from time to time we will email you to let you know the latest news in our sport and keep you up to speed with new benefits to your membership through our Member Benefits Programme.

We have several partners in our Member Benefits Programme that offer great discounts and benefits to members (like yourself) of Athletics New Zealand:

- [Millennium Hotels](#), you'll receive a 20% discount on your accommodation
- [Bluebridge Ferries](#), you'll get a 10% discount off your travel
- [Choices Hotels](#), you'll save up to 15% on your accommodation
- [Hertz Rentals](#), you'll receive a 15% discount when you book a vehicle
- [Rotorua Marathon](#), you'll get a \$15 discount off any entry fee as a member
- [Run4yourlife magazine](#), you'll get a 12 month subscription free!

You can find out more about all the benefits and opportunities on the Athletics New Zealand website under [Member Benefits](#)

We are thrilled to let you know we have signed a corporate supply agreement with New Zealand's own award winning airline - Air New Zealand, which will be facilitated through our Travel Management Company, HRG New Zealand who are our new Official Travel Provider for Athletics New Zealand and our members.

This agreement means Athletics New Zealand, our representative teams, coaches, staff etc. will have discounted pricing for all domestic and international flights – excluding specials. But better still, we can offer these same discounted prices to you, as an Athletics New Zealand member.

Please note: Negotiated discounts do not apply to advertised specials by Air New Zealand.

The discounted prices will be available to you in April 2016 and must be booked through, HRG New Zealand. In conjunction with HRG, we are developing an online booking portal. From this portal you will be able to set up a profile with your personal preferences such as personal details, contact information, passport details, airline membership and frequent flyer numbers etc. The Athletics New Zealand discounted pricing will be pre-loaded and the system will be all ready to go for you when you want to make a booking.

In the interim, should you wish to make a booking before the release of the booking portal, you can contact HRG's travel consultant for Athletics New Zealand's member bookings, Natalie Archer.

For bookings please phone 09 5208333 or email Natalie.archer@nz.hrgworldwide.com

We will send you more information soon once the HRG portal is ready to go, and we will set up a location on our website at www.athletics.co.nz to make it easier for you to enjoy the benefits of cheaper air travel.

I recently completed a short survey of members asking what member benefits you would like us to provide. As a result there are more benefits that should be interesting and valued by you in the pipeline over the next few months, as we strive to ensure your membership is providing value back to you.

Check out our website in the coming months, or follow us on Facebook at [Athletics New Zealand - Facebook](#)

We will be back in touch with you shortly about the Air New Zealand pricing and booking portal, but if you have any questions about the Member Benefits Programme or if you operate a business and want to be part of the programme, please don't hesitate to get in touch with me.

Kind regards
